

Year 3 Newsletter

It seems impossible that your children have now completed their first half term at Falcon. We have all been very impressed with how they have settled. Their attitude to learning has been excellent as has their behaviour and we are looking forward to the rest of the year.

The church visit

Early in October, we visited St Mary and St Margaret's church. After a long walk, we finally arrived. The day began with a story about harvest, followed by the children doing different activities. One activity was to learn facts about the different parts of the church. The children learnt about the altar, the font, the organ, the lectern and the pulpit. Other activities included drawing fruit, interviewing Reverend Dean and writing thank you messages. We were very proud of how hard the children worked and how well they represented Falcon during the visit, both while we were at the church and during the long walk.

P.E

The weather is now getting much colder so please ensure your child has a warm sweatshirt and tracksuit bottoms, especially for Thursdays when PE will be outside whenever possible.

Home Learning

We appreciate the support you are providing your children with regarding homework. However, it should **NOT** cause a child (or parent!) anxiety or stress so please come to talk to us if your child needs support with completing the tasks set. Just a reminder that reading records should be handed in every Monday and copies of weekly spellings and Maths homework can be found on Google classroom if your child has not brought them home.

Dates for your diary:

Tuesday 12th November - Year 3 flu vaccinations.

Friday 11th December - Christmas Jumper Day

Friday 18th December - Last day of term.
