Dear Parents

Year Six Maths Evening - February 11th 2019

We would like to invite you to a maths evening on the above date. The purpose of the evening is to give you the opportunity to find out more about how we teach maths at Falcon and to support you with helping your child at home with maths. The evening will also provide you with the opportunity to ask questions.

We will open the doors to the Year six block at 5.50pm for a 6.00pm start. Mr Little will be leading this event and we advise that it is for parents and carers only and is not suitable for children. Unfortunately, we are unable to provide crèche facilities on this occasion.

So that we can prepare appropriately please complete the tear off slip at the bottom and return to your child's class teacher.

Yours faithfully,

Miss R Marpole
Maths Lead
