

Geography Overview

	UNIT 1	UNIT 2	UNIT 3
Year 3	How do maps work and what can they tell us?	Why is London our capital city?	What are the features of rivers around the world?
Year 4	Why is Blakeney an interesting place to visit?	Why do some people choose to live near volcanoes?	Should we save How Hill and why?
Year 5	Why do people choose to live where they do?	Where do we live and why do I live here?	Why is our home under threat and why does it matter?
Year 6	Would you rather visit the Rocky Mountains or Snowdonia?		How does what is below ground affect what is above ground?
