14<sup>th</sup> October 2022

Dear parents/carers

From Monday 17<sup>th</sup> October, the school will move into its final phase of building work when Portakabin and Keo will remove the building site from the field and repair and seed the area to lay it back to grass.

We hope that this will be completed next week and during half term, however, we are reliant on good weather so we are aware there could be delays.

There will be an impact on the school next week, particularly the Lower School Playground. A track way will be laid on Monday from the large gates, all the way across the playground, to the field. Please see the diagram below:

The children will still have a large area to play on as we have asked for gates to be put in the fencing to allow children across. These will be locked during lessons and we will supervise them during break and lunchtime.

There will be an impact on arrival and dismissal for Year 3 and 4. **The morning of Monday 17<sup>th</sup> October will be as normal.** In the afternoon, Year 3 will be as

normal but **Year 4 will need to be collected from next to the MUGA**. The MUGA collection point is highlighted here:

For the rest of the week, Year 3 and 4 children will need to line up in the morning at their entrance doors. Dismissal will be as normal for Year 3 and Year 4 by the MUGA.

Once the fencing is up on Monday, I will record a video and send this out showing the changes in routine.

We apologise for the disruption that this may cause, however, it is important to get the field back in use for the children.

Yours sincerely

A handwritten signature in cursive script that reads 'E J Savage'.
